

SOUTH DEARBORN REGIONAL SEWER DISTRICT

370 W. EADS PARKWAY
LAWRENCEBURG, IN 47025

This annual event is an educational and fun event for anyone involved in the wastewater industry. The event provides an opportunity to apply day-to-day skills through a series of hands-on activities and written quizzes.

Here's how it works!

Five committees—Laboratory, Operations & Maintenance, Residuals & Biosolids, Collection Systems and Safety—create challenges in their respective fields. Teams consisting of four people from either the same facility or from several facilities compete against each other by following instructions for each challenge. Teams who have members from different disciplines in the industry will have an advantage over those who don't.

MAY 19th

- Day of Challenges
- Reception complete with a hog roast, corn hole, and live music!

MAY 20th

- Awards presented over breakfast
