

12th Annual IWEA Silent Auction

item donation request

To inspire and motivate involvement with this great charity, the IWEA Executive Board and Water For People Committee are soliciting donations for the 12th Annual Silent Auction to be held during the IWEA 80th Annual Conference. All proceeds will be donated to Water For People to be included in the unrestricted funds category. Funds designated for the unrestricted category have the greatest impact, as they allow Water For People the flexibility to use the funds where they are most needed at the time the funds come in. For those of you that are new to the Silent Auction, here's how it works:

Donations are collected from very generous donors and are displayed during the conference on November 19th and 20th.
