The Indiana MS4 Partnership in collaboration with Indiana Water Environment Association (IWEA) will be offering two MS4 Compliance & Enforcement Certified Inspector (MS4CECI) Seminars in 2018.

Training provided by NPDES Stormwater Training Institute will be Indiana-specific storm water topics in an easy to understand and practical format including presentations, videos, Q&A sessions, group problem solving, and field inspections at construction sites, outfalls, and facilities.

- Certification is earned upon completion of exam and receiving a passing score of 70%
- Certification is valid for 3 years, and online renewal course is available

The training has been developed to meet the needs of designers, contractors, and municipal staff.
