With over 30 years experience in the Wastewater sector, Barbara Smith is truly an expert in the field. Barbara started her career in wastewater as a Plant Operator and moved her way up from there working as Shift Supervisor, Operations Supervisor, Administrative Manager, Superintendent, and District

Supervisor of Muncie Sanitary District. In 2013, Barbara was ready to embark on a new journey. Her vast experience in all areas of wastewater management made her next step a logical choice; creating Wastewater 101.
