

DOING MORE

WITH LESS: Innovations, Efficiencies, & Creative Solutions

Annual Collection Systems & Stormwater Specialty Conference

Wednesday, October 30, 2019 | 8:00am-3:30pm

The Commons | 300 Washington Street, Columbus, IN

Continuing Education Approved for 5 T WW, 5 DW and 5 PDH

The IWEA Specialty Conference is heading to Columbus, Indiana. This year the Collection Systems Committee and Stormwater Committee are once again coming together to provide you a day full of intriguing and knowledgeable presentations. Communities are often faced with the pressures of meeting many needs with limited resources. This year's conference theme will focus on sharing innovative ideas, efficiencies, and creative solutions for addressing our infrastructure challenges.

8:00	REGISTRATION
