

Southern Indiana Operators Association, Inc.

April 20, 2022

Come join us on April 20 for an SIOA Meeting!

Our host for April will be Shelbyville WRRF.

Tours: 10am—12pm

Meal: 12pm

Presentation: 12pm

Registration: \$10.00/members

Add \$10.00 for Non members.

In 2018, the State convened the Water Infrastructure Task Force (“Task Force”) to study drinking water and wastewater utility needs and best practices in Indiana. One recommendation of the Task Force was for the State to assist utilities with long term planning by establishing Water Infrastructure Study Areas for the purpose of studying supply and demand, drought preparedness, infrastructure needs, and opportunities for utility collaboration within a region.

As a result of these recommendations, the 2019 Indiana General Assembly enacted Senate Enrolled Act 4. (“SEA 4”) requiring the IFA to conduct regional meetings throughout the state to enable drinking water and wastewater utilities to work together to address long term needs. SEA 4 also requires drinking water and wastewater utilities to report their participation in the meetings to the IFA. Communities seeking SRF funding must attend a Regional Planning Meeting. Sarah Hudson from IFA will be leading the meeting, and attendance at the meeting counts for your yearly requirement!

There will also be WWTP tours offered before the meeting.

Plant Tours: 10am-12pm

Lunch and Presentation: 12pm-1pm

This program will be submitted for Wastewater Credits.

RESERVATIONS! by Thursday, **April 14th by 3pm if you are planning on attending!** Email your reservation to sioaofficer@gmail.com.

All reservations are confirmations and should be paid.

WASTEWATER CHALLENGE

IWEA's Annual Wastewater Challenge is racing into Brownsburg! It's time to get out and Show What You Know! The Wastewater Challenge is a day of hands-on events designed to test and stretch your how-to knowledge of wastewater. It takes a team to rise to the challenges created by the Laboratory, Operations & Maintenance, Residuals & [...]

On **Friday, April 22**, the IWEA O&M Committee will be hosting a plant tour, lunch, and presentation at the Richmond Wastewater Treatment Facility. The presentation will begin at 11am at 2380 Liberty Ave, Richmond, IN. CEUs are available! If you are interested in attending, please contact Katie Castro Jackson at katiec@wesslerengineering.com.
