- Opportunities for development and advancement
- **Batesville is a family:** You will be part of a family of highly committed associates who are passionate about our company, committed to our customers and excited about our future.

How to apply:

<https://careers.batesville.com/jobs/environmental-technician-4779>

What you'll do:

- Daily management of wastewater treatment operations. Fill chemical tanks, calibrate pH meters, troubleshoot system (24 hr/day), press sludge, dry sludge, read flow and pH meters, and routine cleaning.
- Hazardous/ Non-hazardous/ Universal waste management. Daily /weekly hazardous waste inspections, labeling & drum handling, load drums, maintain empty drum and waste storage areas (isle spacing, orderliness, cleanliness, etc.) schedule waste shipments, manage and schedule paint pit pumps outs and annual cleaning, fill out Bill of Ladings and Manifesting paperwork, puncture aerosol cans, prepare waste materials for transportation, and sign manifests. SWP3 inspections, SPCC inspections, and other weekly and monthly audits/inspections.
- Perform Environmental Sampling
 - Wastewater
 - Daily checks, weekly/monthly sampling
 - Storm Water
 - Waste & Air as required
- Manage clean manufacturing activities – Identify and implement waste minimization and pollution prevention opportunities, manage recycling program, load recycling shipments, ensure exterior of facilities are clean.
- Perform other duties as assigned by the EHS Engineer on a daily basis. Read meters weekly, daily checks on remediation system, involvement in safety issues, and calibrate air monitors.
- Other duties to be assigned.

Basic Requirements:

Required Skills/Experience

- High school diploma or equivalent
- Must hold class C wastewater treatment license or willingness to obtain one
- Ability to perform duties without direct supervision
- Forklift operator's license or the ability to obtain one
- Maintain RCRA 40 CFR 262.34(a)(4) and 265.16 certification
- Maintain DOT 49 CFR 172.704(a) certification
- Good organization and cleanliness skills
- Basic computer skills
- Strong analytical skills
- Other duties may be assigned

Great to Haves:

- One year certificate from college or technical school in related field preferred.
- Previous wastewater and waste management experience preferred.

Physical Demands:

To perform this job successfully, the physical demands listed are representative of those that must be met by an employee. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to sit, stand, walk, use hands to handle and feel, reach with hands and arms, talk and hear. The employee may occasionally be required to crouch. The employee may occasionally lift items as heavy as 25lbs. Specific vision abilities may include the employee's ability to see near and far distances.

Who we are:

A cornerstone in the death care industry, Batesville has distinguished itself from all others through our commitment to quality, service and innovation. For more than 100 years, Batesville has been dedicated to serving the needs of licensed funeral professionals and helping families honor the lives of those they love.® With annual revenues of approximately \$600 million, Batesville is a leader, providing a comprehensive portfolio of burial and cremation products, memorialization offerings, profit-enhancing merchandising systems and leading-edge technology solutions.

At Batesville, our associates are our strongest asset, and we strive to attract, hire and develop the best and brightest to ensure our place in the future. Batesville has a strong culture of achievement, which is underpinned by these five core values:

- Individual worth and integrity
- Excellence in execution
- Spirit of continuous learning and improvement
- Courage
- Customer focus and partnership

What Sets Us Apart:

Making a difference: Helping families honor the lives of those they love® isn't just our mission. It's why we do what we do every day to make every Batesville product the best it can be.

Development is a priority: We promote learning and development from Day 1. From our *Experience Batesville* onboarding program to self-guided courses on Batesville University, there are opportunities to advance your skills. We encourage associates to create Individual Development Plans (IDPs) to help drive career-focused discussions and advancement.

Putting customers first: We value the funeral professionals' role in serving families and are committed to doing our part to ensure their success.

We Have Fun! We work hard, but when it's time to play, we get creative – and competitive. Whether it is a kickball tournament or football toss, our *Tree is Me* team provides engagement activities to bring people together across the organization.

We Give Back: We support our communities by assisting in fundraising events and volunteer programs to help those in need.
**These services are not available at all Batesville locations.*
