

IWEA Safety Committee Meeting
November 21, 2024
Minutes

Members on Conference Call: Terri Couse, Duane Jarvis, Tim Nelson, and Dorothy Robinette.

Members at TriCo WRRF:

Digester:

- The Safety Committee has not submitted articles to the Digester for a long time! IWEA wants an article for each publication. About four times a year. (Spring – Feb, Summer – May, Fall – Aug, and Winter – Dec.)
- If anyone has or wants to submit safety articles to the Digester, that would be great.
- Discussed having a toolbox like articles, could be on confined space, electrical, emergency, etc. Other topics could be construction, new personnel training, etc.
- Want to make a safety mascot that we could use with Digester articles or could use to answer safety questions in the Digester and with the safety shack (hopefully in the future).
- You can send articles to Jamie Sonnentag at Jamie.sonnentag@mattisoncorp.com, or Dorothy at wwtrobin36@gmail.com. The IWEA website has the deadlines listed and you can submit an article.

IWEA Conference:

- Need to start working on speakers and topics for 2025 conference. Call for abstracts start in February.
- Anyone who has topic ideas or abstracts please contact Loren Prange (loren.prange@trico.eco) or Dorothy Robinette (wwtrobin36@gmail.com).
- Discussed having a 10-hour OSHA course next year. Could be split up over 2 days. Pete Isom could teach the course. Pete Isom and Ernie Castle will work on it and report back. Thank you both for your help.

Safety Audit:

- Please review the safety audit form for any changes that are needed before the next audits.

Wastewater Challenge:

- WW Challenge is May 20, 2025 and will be held at Marion Utilities. Very nice plant with plenty of room.
- The event draft is due by January 14th, so we need to work on scenarios. Anyone with ideas please contact Terri or Dorothy.
- If anyone wants to judge or be on the planning committee, please let Dorothy know wwtrobin36@gmail.com
